

LEANNE BEARDSLEY

Author Visit

About the Author

Leanne Beardsley is an author and illustrator whose debut picture book, *Please Cloud, Don't Cry*, was inspired by a beautiful sentence spoken by her then 6-year-old neurodivergent daughter during a sunny walk in 2018.

Please Cloud, Don't Cry is a gentle, rhyming story about a little girl who meets a sad cloud on what was meant to be a perfect sunny day. Through their conversation, the cloud teaches her that all feelings are okay, even sad ones, and that sometimes letting our emotions out can help us feel so much better.

Perfect for ages 3-7 (Reception to Year 2)
